Event: Freddy Fright Fest 2022

Date and Time: **October 22 – 31, 2022**

October 20 from 6:00pm – 10:00pm
October 21 from 6:00pm – 12:30am
October 22 from 4:00pm – 12:30am
October 23 from 4:00pm – 10:00pm
October 26 from 6:00pm – 10:00pm
October 27 from 6:00pm – 10:00pm
October 28 from 6:00pm – 12:30am
October 29 from 4:00pm – 12:30am
October 30 from 4:00pm – 10:00pm
October 31 from 6:00pm – 10:00pm

Special Notes: Freddy Fright Fest organizing committee is asking for a noise bylaw exemption for the above dates during their event. Although there will be no amplified sound during this time frame there may be random loud sounds such as a wolf howl, low powered chain saw, banging noises, and uncontrolled participant screams coming from the tent as they exit the final stage of the haunted tour. During this time of the year, most of the residents in the area will have their windows closed so this will help to minimize any noise impact.
