The first Renewal Term would commence on January 1, 2029 and would expire on December 31, 2033; the second Renewal Term would commence on January 1, 2034 and would expire on December 31, 2038.

- 5.4 The Parties acknowledge and agree that notwithstanding Section 5.1 and Section 5.2, the Fire Chief may refuse to supply Fire Protection Services if, in the Fire Chief's opinion, the following conditions arise: the appropriate personnel, apparatus or equipment are required in the City, if sufficient resources cannot be gathered/mustered, if any equipment becomes non-functional or for any other situation or reason that precludes the safe involvement of the Fire Department.
- 5.5 If any of the conditions arise referred to in Section 5.4 arise, the Fire Chief may activate the assistance provided under a mutual aid agreement.

SECTION 6.0 PAYMENT FOR FIRE PROTECTION SERVICES

- 6.1 As compensation for the provision of Fire Protection Services provided for hereunder, the Province shall pay the City an annual service fee(s) as outlined in this Agreement.
- 6.2 The Parties acknowledge and agree that the Fire Protection Service fee(s) are established in accordance with the following financial formula:
- (a) Costs are allocated based on the annual value of the property tax base being served, as set out in this Agreement and pursuant to the formula provided in the attached Schedule B - Allocation of Fire Services Costs.

Tax base value is determined based on the respective annual tax assessments of the year preceding the year the Fire Protection Services

will be provided, (i.e. 2024 assessments for the service to be provided in 2025, etc.);

- (b) The total net costs of providing Fire Protection Services by the City pursuant to this Agreement, and other agreements the City may have with other parties for the same service, are used as the basis for allocating the cost of Fire Protection Services. Costs will be determined annually by the Parties based on assessed tax base and cost of service. The City will provide a detailed fire budget including details such as planned capital expenditures, equipment needs and purchases, fire department surplus/deficit, debentures, etc., and other related information as may be requested by the Province. These costs are set out in Schedule C - Annual Fire Service Costs;
- (c) Revenues received from providing similar services to other jurisdictions, water costs and costs related to emergency medical services that are not provided to the portion of the CRRD, and any other agreements the City may have with other parties for the same service, are to be removed from the total cost to arrive at the net cost, as set out in Schedule C;
- (d) The service fee for 2024, and each remaining year will be calculated by the City based on the revised estimate of costs for the prior year and the tax base assessments from the prior year such that the full amount of net cost of Fire Protection Services in 2024 and each remaining year will be divided equally by the tax base of all areas served in the portion of the CRRD; and
- (e) The total annual service fee for Fire Protection Services for 2024 and each remaining year of the Term, or Renewal Term, shall also include a risk premium payment in the amount of \$0.0100 per \$100.00 of assessed tax base served.

- 6.3 The Parties acknowledge and agree that the inability on the part of the City to provide Fire Protection Services under this Agreement for reasons beyond its control shall not create any financial or legal liability on the part of the City and any related officer, official, employee, volunteer or agent thereof. The amount payable by the Province shall be reduced on a prorated basis equivalent to the time period during which the City cannot provide the services contemplated by this Agreement.

- 8.4 The City shall provide a certificate of insurance evidencing the insurance required under this Agreement is in effect upon request of the CRRD during the Term or Renewal Term.
- 8.5 The Parties acknowledge that the Province does not acquire or maintain commercial general liability insurance from an insurer as the Province self-insures and responds to claims accordingly.
- 8.6 The Province covenants to indemnify and save harmless the City and its employees, agents, contractors, subcontractors and officials from and against any and all actions, suits, proceedings, costs, charges, expenses, claims, demands, matters and things whatsoever and by whomsoever made, sustained, brought or prosecuted ("Claims") which are in any manner based upon, occasioned by, attributable to or arising from anything done or suffered or omitted to be done by the Province or one or more of its employees, agents, contractors or subcontractors, and whether caused by the negligence of the Province or one or more of its employees, agents, contractors or subcontractors of any nature whatsoever and howsoever caused resulting from or relating to:
